Comply with the 4-step CDC Guidelines:

1. **Visual Alerts**
   Post visual alerts at the entrances of healthcare facilities, including emergency departments, physician offices, clinics, etc.

2. **Cleaning Hands**
   Use of antiseptic hand wash if a sink for hand washing is not available.

3. **Wearing Face Masks**
   Wear a mask if coughing. Masks available for visitor use.

4. **Using Tissues**
   Cover the nose and mouth with a tissue when coughing or sneezing and properly dispose of tissues after use.

Guard against the unknown with Respiratory Hygiene Solutions from BOWMAN

**Cover Your Cough Compliance Kits**
Available in multiple configurations, colors and material. Save on shipping and make ordering easy with one part number and one convenient package.

**Placement & mounting options**
- Countertop
- Wall Mount
- Freestanding
Hand Sanitizer Dispensing Systems

GL300-1214
Glove Box Dispenser - Triple

FM100-0212
Face Mask Dispenser - Earloop

FM200-0212
Face Mask Dispenser - Face Shields

Benefits of Dispensers:
• Convenient access to PPE
• Standardized dispensing location
• Supports best practice adherence
• Enhances patient, staff, and visitor safety
• Drives refill compliance
• Contains costs by preventing Hospital Associated Infections (HAI’s) and outbreak investigations

Recessed Dispensing

Protect first responders with easily accessible Recessed Protection Systems for high traffic areas. Our in-wall solutions avoid wall protrusion rule concerns while keeping necessities organized and at hand.

Infection Prevention Systems

Protect patients, visitors, and staff from microorganisms that spread from contact with contaminated surfaces and common use items, by placing the Infection Prevention stations near nursing stations, waiting areas, office environments and transportation services.

Mobile PPE Cart

Emergencies require FAST solutions for protecting patients and staff. The Mobile Protection System from BOWMAN is your high-capacity, no frustration solution for quick and accurate compliance.

1. **ERGONOMICALLY DESIGNED:** Easy access to PPE supplies reduces repetitive bending motion
2. **PROCESS IMPROVEMENT/COST EFFECTIVENESS:** Save time and money with easy PPE visualization vs traditional closed drawer systems
3. **EDUCATION AND COMPLIANCE:**
   - Visible PPE dispensing triggers donning policy compliance
   - Isolation standard yellow color allowing for easily recognizable alert and subsequent compliance
   - Process indicators visually identify donning order
   - Optional sign holder available for appropriate isolation signage
4. **MOBILITY:** The newest BOWMAN Protection System available on wheels
5. **CAPACITY:** Large volume consumable dispensing solution
6. **CRAFTSMANSHIP AND DURABILITY:**
   - Made of yellow powder-coated aluminum with brushed nickel hardware and a 5 year limited warranty

**Proudly made in the USA**

BowMAN Dispensers is a specialized design and development business creating custom protective equipment (PPE) dispensing solutions. Once a healthcare dominated industry, PPE dispensing devices have expanded in application to most commercial markets such as industrial, food service, education and beyond. We are at the forefront of innovative dispenser design across all industries.

Since 1988, with customer collaboration, BowMAN now offers over 200 unique items in our product line. As a privately held company, our owners are involved in the business every day. BowMAN is proud to serve as your industry advocate, partnering with you to create safe, organized and efficient work environments.

BowMAN Dispensers is at the forefront of innovative dispenser design across all industries, providing an industry leading 15 year warranty on all aluminum and steel dispensers.
