product number

Use our website for detailed material and color information. Colors may vary. Not all colors or materials are available for all dispensers. See your local sales office for availability and a reference for what a particular dispenser is made from. Certain options are also available.
Guard against the unknown with Respiratory Hygiene Solutions from BOWMAN:

- Convenient access to PPE
- Standardized dispensing location
- Supports best practice adherence
- Enhances patient, staff, and visitor safety
- Drives refill compliance
- Contains costs by preventing Hospital Associated Infections (HAI’s) and outbreak investigations

Comply with the 4-step CDC Guidelines:

1. Visual Alerts
   Post visual alerts at the entrances of healthcare facilities, including emergency departments, physician offices, clinics, etc.

2. Cleaning Hands
   Use of antiseptic hand wash if a sink for hand washing is not available.

3. Wearing Face Masks
   Wear a mask if coughing. Masks available for visitor use.

4. Using Tissues
   Cover the nose and mouth with a tissue when coughing or sneezing and properly dispose of tissues after use.
