- Organization that improves compliance
- Easy purchasing process
- Custom design abilities
- Family owned and operated

BOWMAN Dispensers are proudly made in Arlington, Washington, USA

Made in the USA

BowmanDispensers.com | 800.962.4660
Semi-Recessed Protection Systems are a smart choice for high traffic areas, such as hallways or near elevators. Our in-wall solutions avoid wall protrusion rule concerns while keeping necessities organized and at hand.

**FEATURES:**
- ADA compliance benefit; once installed protrusion is approximately 1¼”
- Simplifies supply location standardization
- Visible access to supplies improves PPE donning compliance and restocking
- Universally sized to hold most major brands of PPE consumables
- Improves HCAHPS scores with a sleek, organized, and aesthetically pleasing design
- One in-wall well, adjustable shelves, and interchangeable doors
- Additional layouts and custom designs available
- Made in the USA out of Quartz Beige Powder-Coated Steel

All consumable items are for demonstration purposes only and are not available for purchase through BOWMAN®.

**Measurements:**
- Depth of installed wall protrusion: 1.25”
- Overall depth to face of door: 4.77”
- Overall depth to front of frame: 4.21”
- Depth of installed wall protrusion: 3.50”
- Overall external dimensions: 4.77” x 4.21” x 3.50”

**BACKED BY OUR 15 YEAR WARRANTY**

Bring your vision to life

Build A Room shows you the end result in just a few clicks with a camera and a mouse. Create, save and output an image of your ideal room, like the one shown at right.

Create your ideal working environment in just a few easy steps at BuildARoomByBowman.com:

Choose the consumable(s) and room(s) that need organization.

Tape an 8 ½” x 11” piece of paper to the wall and take a photo straight on of the room.

Select your dispenser category in Build A Room and upload your photo.

Arrange the yellow square to fill your paper in the photo.

Drag and drop dispensers into your space.

Save your design then print or send your layout to your planning team.

BOWMAN Dispensers is a specialized design and development business creating personal protective equipment (PPE) dispensing solutions. Once a healthcare dominated industry, PPE dispensing devices have expanded in application to most commercial markets such as industrial, food service, education and beyond. We are at the forefront of innovative dispenser design across all industries.

Ask your distributor for BOWMAN products.

Since 1988, with customer collaboration, BOWMAN now offers over 200 unique items in our product line. As a privately held company, our owners are involved in the business every day. BOWMAN is proud to serve as your industry advocate, partnering with you to create safe, organized and efficient work environments.
