_The Perfect Fit for Every Industry_

- Accommodating spring loaded design
- Secure fit for PPE such as bouffant caps, shoe covers, gowns, wipes & masks
- Great choice for industrial wipes & masks
- 3 styles shown below hold over 95 different boxes from major manufacturers

Universal Protection Dispensers

Spring loaded design ensures a secure fit for shoe covers, wipes, caps, masks & more.
Surgical Face Mask & Scrub Sink Area Dispensers

- Holds a variety of gowns, jump suits, and aprons in bulk
- Hinged lid for easy opening
- Keyholes for wall mounting or door hanger cutout for use with wall or door hanger

Multipurpose Bedpan & Urinal Dispenser

- Holds most standard size bedpans, bariatric bedpans, fracture pans and specimen collection containers, and up to 2 urinal bottles
- Keyholes for wall mounting

Personal Wipe Dispensers

Keep personal wipes easily accessible and off of the floor or counter.
CPR Mask Holder

Holds most major manufacturers’ CPR clam kits.

Bag Dispensers

Single and Double dispensers hold a variety of bags up to 9.50" long and 3.40" diameter.

Bag & Glove Protection System

PS004-0212

Holds one roll of bags up to 7.00" long and 3.40" diameter

Also available: PS004-0111

Large Capacity Bag & Cart Cover Dispenser

- Convenient storage for cart covers or large bags
- Holds one roll up to 12.00" long and 6.00" diameter
- Two-way keyholes for vertical or horizontal wall mounting; if bag roll weighs more than 4.5 lbs., dispenser must be mounted vertically

Also available - PS004-0111

Biohazard Bag Holders

- Option to hold a one, three or five gallon biohazard bag
- Keyholes for wall mounting
- Easy-open hinged lid

MW-001* 1 Gallon
MW-003* 3 Gallon
MW-005* 5 Gallon

All consumable items are for demonstration purposes only and are not available for purchase through BOWMAN®.
Build A Room is NEW and exclusive to BOWMAN Dispensers:

- Visually plan out your workflow, organization and storage needs
- See firsthand how dispensers will fit in your space
- Arrange, align, and rearrange until you have the perfect placement
- Try out multiple combinations with no commitment to purchase
- Print and download your final layout
- Saved PDF includes a list of your chosen dispensers for reference

From taking a photo of the area you want to outfit with dispensers, to arranging them according to your needs, you are in complete control of the whole process.

Create your ideal working environment in just a few easy steps at BuildARoomByBowman.com:

1. Choose the consumable(s) and room(s) that need organization.
2. Tape an 8 1/2” x 11” piece of paper to the wall and take a photo straight on of the room.
3. Select your room type in Build A Room and upload your photo.
4. Arrange the yellow square to fill your paper in the photo.
5. Drag and drop dispensers into your space.
6. Save your design then print or send your layout to your planning team.

Build A Room shows you the end result in just a few clicks with a camera and a mouse. Create, save and output an image of your ideal room, like the one shown at right.
Integrate PPE Dispensing Solutions into the project planning phase to save space, improve aesthetics and reduce code violations.

## BOWMAN Dispensers

**BOWMAN Dispensers is a specialized design and development business creating personal protective equipment (PPE) dispensing solutions.** Once a healthcare dominated industry, PPE dispensing devices have expanded in application to most commercial markets such as industrial, food service, education and beyond. We are at the forefront of innovative dispenser design across all industries.

Since 1988, with customer collaboration, BOWMAN now offers over 200 unique items in our product line. As a privately held company, our owners are involved in the business every day. BOWMAN is proud to serve as your industry advocate, partnering with you to create safe, organized and efficient work environments.

**Proudly made in the USA**

**Ask your distributor for us by name. Accept no imitations. There’s only one genuine BOWMAN.**
