Build A Room is NEW and exclusive to BOWMAN Dispensers:

- Visually plan out your workflow, organization and storage needs
- See firsthand how dispensers will fit in your space
- Arrange, align, and rearrange until you have the perfect placement
- Try out multiple combinations with no commitment to purchase
- Print and download your final layout
- Saved PDF includes a list of your chosen dispensers for reference

From taking a photo of the area you want to outfit with dispensers, to arranging them according to your needs, you are in complete control of the whole process.

Create your ideal working environment in just a few easy steps at BuildARoomByBowman.com:

Choose the consumable(s) and room(s) that need organization.

Tape an 8 1/2" x 11" piece of paper to the wall and take a photo straight on of the room.

Select your room type in Build A Room and upload your photo.

Arrange the yellow square to fill your paper in the photo.

Drag and drop dispensers into your space.

Save your design then print or send your layout to your planning team.
Integrate PPE Dispensing Solutions into the project planning phase to save space, improve aesthetics and reduce code violations.
